RELIGION UNIT BOXES

Title	Grade	Contents	Description
<p>Living Fountains</p> <p>New!</p>	<p>All</p>	<p>Audio CD of recitations from the Word set to music by Karen Childs Elder. Notebook of words and guitar chords.</p> <p><i>Note: More in this series are being produced by Karen Childs Elder. Contact her for availability.</i></p>	<p>A series of recitations from the Word set to contemporary music to engage students in learn verses from the Word. CD and book contain 34 recitations—a two year program.</p>
<p>Moral Virtues</p> <p>New!</p>	<p>All</p>	<p>A resource notebook with New Church background material and activities relating to spiritual and moral virtues.</p> <p><i>Note: This resource notebook is a work in process, and we encourage teachers to contribute ideas and activities.</i></p>	<p>The teacher’s manual covers virtues relating to these categories:</p> <ul style="list-style-type: none"> ▪ Our relationship to the Lord. ▪ Our relationship to the neighbor. ▪ Helping the neighbor. ▪ Having a good attitude. ▪ Standing up for truth.
<p>Building Moral Character <i>(integrated with social studies)</i></p> <p>New!</p>	<p>K-2</p>	<p>Teacher’s manual with N.C. background material and lesson plans from an experienced teacher, a book of activities relating to character education, and books for this age level, which include: <i>Dare to Have Courage, Would It Be Right?, Telling the Truth, Never Give Up, Working Together, Be a Friend, and You Can Count on Me.</i></p>	<p>Developed by a classroom teacher, this unit box provides lesson plans and a series of books published by Creative Teaching Press to help young children learn about positive character traits. These can be used proactively or when a teacher sees some negative behavior.</p>
<p>Character Development, Level A</p> <p>New! (Please check on when this will be available before ordering.)</p>	<p>K-2</p>	<p>Teacher background on the moral virtues and books such as <i>Character Building: Literature-Based Theme Units</i> by Jeri A. Carroll, Marsha A. Gladhart, and Dixie L. Petersen. May also include some of the literature suggested for these units.</p>	<p>These units suggest a variety of books (such as <i>Apple Picking Time, A Chair for My Mother, The Doorbell Rang, Too Many Tamales, Stellaluna, Strega Nona, Mean Soup, etc.</i>) to illustrate qualities that we would like to nurture.</p>
<p>First Grade Religion Resources <i>(3 Volumes)</i></p>	<p>1</p>	<p>Religion curriculum, teaching ideas, N.C. background material, pictures, songs, and projects included in this 3 volume set.</p>	<p>Ideas for implementing the religion curriculum include making books about the Lord’s Prayer, heaven, and “My Family.”</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

Heaven <i>4 copies</i>	1	Lesson plans, N.C. background, project ideas, audio tapes, color illustrations, and <i>Life Is Forever, The Dove, The Life to Come, Johnny Applesseed and Other Stories, Where Does This Path Lead?</i> and <i>The Marriage Garden</i> .	The lesson plans give excellent ideas for teaching this unit on what happens in the world of spirits and exploring many aspects of life in heaven. Suggests the cumulative project of making a heaven book.
Most Ancient Church <i>(religion and social studies)</i> <i>3 copies</i>	1	Lesson plans, N.C. background material, project ideas, sheep's wool, CD with a song, 5 copies of <i>A Trip to the Golden Age, Life in the Most Ancient Church</i> and <i>The Pomegranate with Seeds of Gold</i> .	A resource unit for teaching children about the Most Ancient Church on earth and in heaven. Activities include eating the kinds of food eaten by the most ancients and making a diorama with tents and lambs.
Video: Noah's Ark	1-2	Video adapted from Peter Spier's book. (27 min.) <i>Note: Adds some minor details to the story from the Word.</i>	May be used after teaching about Noah's Ark from the Word. Children can compare the video to the story in the Word, noting similarities and differences.
Video: The Wonders of God's Creation	1-up	Set of 3 science videos on planet earth, the animal kingdom, and human life.	These videos, produced by the Moody Institute of Science, illustrate the wonders of creation in a way that leads our thoughts to the Lord the Creator.
Second Grade Religion Resources <i>(3 Volumes)</i>	2	Religion curriculum, teaching ideas, N.C. background material, pictures, songs, and projects.	Resources to help teachers implement and integrate the religion curriculum includes a diorama of the Good Shepherd, a Silver Age Mural, and many new project ideas.
The Ancient Church <i>(religion and social studies)</i> <i>3 copies</i>	2	Teaching ideas, N.C. background material, photographs of mural project, copies of <i>The Silver Age</i> , and <i>A Trip to the Golden Age</i> .	A resource unit for teaching about the Ancient Church and the heaven of the Silver Age. Ideas include making an illustrated class book of the different names of the Lord, reading books with the theme of friendship, and discussing "being a friend" to others. Students read <i>The Silver Age</i> , make rainbow paintings (red, blue, and white) like the one Swedenborg saw in heaven, and make a mural of the heaven of the Silver Age.
Eternal Life <i>(religion unit integrated with literature)</i> <i>3 copies</i>	2	Lesson plans, N.C. background, project ideas, color illustrations, <i>Michael and the Zentrans, Life Is Forever, The Life to Come, The Silver Age, The Unseen Companions</i> , and <i>A Trip to the Golden Age</i> .	This unit explores the three parts of the spiritual world, creation of the spiritual world, and guardian angels. (Stories from <i>Michael and the Zentrans</i> are used to review concepts learned in 1st grade.)

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>The Hebrew Patriarchs <i>(religion and social studies)</i></p> <p>4 copies</p>	2	Builds on the religion curriculum giving teaching ideas, N.C. and other background material, 9 color illustrations, and photographs of diorama and classroom tent. Books include: <i>Nadia the Willful, Sahara, Abdul of Arabia, The Shepherd Psalm</i> , and <i>All the Plants of the Bible</i> .	Helps children visualize how Abraham and his family lived in the land of Canaan. Learn about the terrain, plants, and animals, with special focus on sheep, camels, and olive trees. Discuss the worship, food, clothing, shelter, and activities of Hebrew men, women, and children. Set up a tent in the classroom, learn about wells, and have a nomadic "feast." Compare briefly with nomads of today, such as the Tuareg and the Bedouins.
<p>Character Development, Level B</p> <p>New! (Please check on when this will be available before ordering.)</p>	2-4	Teacher background on the moral virtues and books such as <i>Daily Character Education Activities</i> (for grades 2-3) by Becky Daniel-White. May also include some of the literature suggested for these units.	These activities suggest using fables and specific books (such as <i>The Giving Tree, Doctor De Soto, The Little Engine That Could, Mrs. Piggle Wiggle, etc.</i>) to help illustrate various character traits.

SACRED LANGUAGES UNIT BOXES

Title	Grade	Contents	Description
Teaching Greek	K-8	Notebook with teaching ideas, student activities, and cassette tape.	Resources for introducing students to the basics of Greek. Includes the Greek alphabet, anthems and the Lord's Prayer in Greek.
Teaching Hebrew	K-8	Teacher's manual with teaching ideas, N.C. background, art projects, and student projects. Also includes <i>An Introduction to the Hebrew Language</i> and audio recordings of songs and the Ten Commandments in Hebrew.	Resources for introducing students to Hebrew letters and important words. Includes teaching aids for memorizing the Ten Commandments in Hebrew. Note: We recommend purchasing a copy of <i>An Introduction to the Hebrew Language</i> by Jennie Gaskill for each student in the class. The cost is \$2.00.
Teaching Latin	K-8	Notebook with teaching ideas and several books for use in elementary school. Includes <i>First Latin</i> teacher and student books 1 and 2, <i>Salvete! A First Course in Latin</i> teacher and student book, and the teacher's edition of <i>Discovering Languages, Latin</i> .	A collection of resources to introduce students to the Latin language. Includes religious songs in Latin, fun songs for memorizing grammar, projects to illustrate the Nunc Licet temple and notes from a summer course.

FIRST and SECOND GRADE UNIT BOXES**

LANGUAGE ARTS UNIT BOXES

Title	Grade	Contents	Description
Learning About Disabilities <i>(social studies unit integrated with literature)</i>	K-2	Unit plan, N.C. background, and books such as <i>See the Ocean, Lucy's Picture, The Balancing Girl, My Buddy,</i> and <i>Through Grandpa's Eyes.</i>	Wonderful books and many creative activities (relating to the literature) to help introduce children to various disabilities.
Morning Circles <i>3 copies</i>	K-2	Video demonstration of morning circles and a collection of poems and songs.	Morning circles combine movement with learning and can be integrated with religion, math, social studies, and science. For example, several of the enclosed poems and songs relate to the seasons, planting, or trees.
Reading and Writing Remediation	K-5	Books such as: <i>Keep on Tracking, My Printing Book, Pre-Cursive Exercise, Cursive Handwriting, Critical Thinking: What's Wrong With This Picture?</i> Also, includes materials assorted pencils and grips, plastic place keepers, samples of various kinds of lined paper, mirror.	Assembled by Lori Nelson, special needs teacher, this collection of materials and activities assists teachers with children needing reading and writing remediation.
China <i>(social studies unit integrated with literature)</i> <i>5 copies</i>	1	Lesson plans, N.C. background, many books, great activities, <i>etc.</i>	Please see China under social studies unit boxes for full list of books enclosed.
The Earth as a Home <i>(a brief science unit integrated with literature)</i> <i>3 copies</i>	1	Books include: <i>A House Is a House for Me, Over in the Meadow, All in the Woodland Early, Animals at Home,</i> and <i>Wonders of the Forest.</i>	A resource unit to introduce the earth as home for people and animals.
Family <i>(religion and social studies, integrated with literature)</i> <i>4 copies</i>	1	Teaching ideas and many wonderful books, such as: <i>If You Were My Mother, My Dad, Nana Upstairs and Nana Downstairs, The Relatives Came,</i> and <i>The Rainbabies.</i>	Includes the religion and social studies units on family and several project ideas including a book written and illustrated by each student.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Four Seasons: Autumn</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	Lesson plans, N.C. background, many books, great activities, <i>etc.</i>	Please see Four Seasons: Autumn under the science unit boxes for full list of books enclosed.
<p style="text-align: center;">Four Seasons: Spring</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	Lesson plans, N.C. background, many books, great activities, <i>etc.</i>	Please see Four Seasons: Spring under the science unit boxes for full list of books enclosed.

<p style="text-align: center;">Four Seasons: Winter</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	Lesson plans, N.C. background, many books, great activities, <i>etc.</i>	Please see Four Seasons: Winter under the science unit boxes for full list of books enclosed.
<p style="text-align: center;">The Frog Prince</p> <p style="text-align: center;"><i>(a two week unit)</i></p> <p>3 copies</p>	1	Story, N.C. rationale, lesson plans, and a sample of the book students make to use as an early reader.	Fairy Tale—Students listen to this fairy tale, make their own storybooks to use as readers, and dramatize the story. (One option is to put on a marionette show for the children as a finale.)
<p style="text-align: center;">The Inuit</p> <p style="text-align: center;"><i>(a social studies unit integrated with literature)</i></p> <p>5 copies</p>	1	Lesson plans, N.C. background, many books, great activities, <i>etc.</i>	Please see Inuit under social studies unit boxes for full list of books enclosed.
<p style="text-align: center;">Rainbows</p> <p style="text-align: center;"><i>(a science unit integrated with literature)</i></p> <p>3 copies</p>	1	Teaching ideas, N.C. background, song tape, and 3 books.	Please see Rainbows science unit.
<p style="text-align: center;">Exploring Your World</p> <p style="text-align: center;"><i>(nonfiction for young readers)</i></p>	1-2	Over 20 nonfiction books suitable for younger readers, including: <i>Leaves, The Tree and Its World, Water, Ducks and Swans, Song Birds, The Stream, Baby Animals, Castles, Dinosaurs, Bridges, Day and Night, What Does Your Garden Need?, and Animal Messengers.</i>	Note: This unit box now includes some of the Ladybird Readers and many newer nonfiction titles.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>Friendships with the Elderly <i>(integrated with social studies)</i></p>	<p>1-2</p>	<p>Teaching ideas and books such as: <i>The Mitten Tree; Can You Do This, Old Badger?; The Patchwork Quilt; Loop the Loop; Blow Me a Kiss, Miss Lily; and Song and Dance Man.</i></p>	<p>Explores relationships between children and elderly people in their lives.</p>
<p>Frog and Toad Together <i>(science and literature)</i></p> <p>2 copies</p>	<p>1-2</p>	<p>Includes lesson plans, activities, stories, and these books: <i>Pond Year, The Caterpillar and the Polliwog, The Frog Prince, and Frog and Toad Together.</i></p>	<p>This literature unit with additional books on the frog theme could support the study of spring in 1st grade or the study of water in 2nd grade. Suggestions include observing frogs and learning how they cope with the four seasons. . <i>(Note: More detailed study of frogs and their life cycle is part of the 3rd grade curriculum.)</i></p>
<p>The Give and Take of Friendship</p>	<p>1-2</p>	<p>Teaching ideas and books including: <i>A Toad for Tuesday, Chester’s Way, Frog and Toad Are Friends, George and Martha, Little Blue and Little Yellow, and Ira Says Goodbye.</i></p>	<p>A variety of books to explore the give and take of friendship and activities suggested by Carol Hurst and Rebecca Otis in their book on <i>Friends and Relations: Using Literature with Social Themes K-2.</i></p>
<p>Ladybird Fairy Tales <i>(8 sets for various reading levels)</i></p>	<p>1-2</p>	<p>Books at various reading levels, worksheets, and audiotapes.</p>	<p>Fairy tale series contains a selection of well-known stories such as <i>Goldilocks & the Three Bears, Hansel & Gretel, Sleeping Beauty, Rapunzel, etc.</i></p>
<p>Leveled Literature Books: Sets A, B, C</p> <p>3 copies</p>	<p>1-2</p>	<p>Fiction and non-fiction books at various reading levels (A-M) for first and second grade students. Please note that each set has a different array of books so teachers may want to borrow each set over the school year.</p>	<p>Provides a wealth of books for student reading at various reading levels. Includes resources to help teachers assess student reading levels and organize classroom books into levels.</p>
<p>Life in Africa <i>(social studies unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>1-2</p>	<p>Teaching ideas, N.C. background, folktales, and many artifacts. Books include: <i>Anansi the Spider, A Story A Story, Why the Sun and the Moon Live in the Sky, Jambo Means Hello, Ashanti to Zulu, Why Mosquitoes Buzz in People’s Ears,</i> and other folktales. Artifacts include: Thumb piano, Zulu doll, African drum, wooden giraffe, disappearing doll on a stick, and beautiful beadwork.</p>	<p>Children enjoy African folktales, which illustrate a different culture while also teaching a moral. While primarily a literature unit, games and other activities are included to help teach the children about Ghana (where there are New Church centers). This unit also supports the focus in first grade on family and cultures influenced by the Most Ancient Church.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Puddle Lane Reading Program</p> <p><i>5 copies enclosed books may vary</i></p>	1-2	<p>Multiple copies of different storybooks, lesson plans & activities.</p>	<p>A beginning reading program for first grade using a literature approach. Produced by Ladybird Books, Inc.</p>
<p style="text-align: center;"><i>Snow-White and Rose-Red</i></p>	1-2	<p>Story, N.C. rationale, lesson plans, carved wooden story characters to use for a puppet show (with a how-to video for the teacher), a sample of a child's book, and photographs.</p>	<p>Fairy Tale—A two-week unit recommended for early in the year. Students listen to this fairy tale about two kind girls, a bear, and a dwarf. This experience is enriched with a puppet show by the teacher, student dramatization of the story, and making books, which also serve as early readers.</p>
<p style="text-align: center;">Basal Readers</p>	1-3	<p>Collection of readers for grades 1-3 at graded levels: <i>Sun Up, Sun and Shadow, Happy Morning, Magic Afternoon, Weather Vanes, Windmills, Ring Around the World, Together We Go, Widening Circles, With a Crash and a Bang</i>. Some teacher manuals and other materials available.</p>	<p>Various numbers of copies at each level. We will put together a box for you at the level you need.</p>
<p style="text-align: center;">Cooperation</p>	1-3	<p>Teaching ideas, N.C. background, many books, and activities.</p>	<p>Please see Cooperation under the social studies unit boxes for full list of books enclosed.</p>
<p style="text-align: center;">Dealing with Bullies</p>	1-3	<p>Teaching ideas, N.C. background, many books, and activities.</p>	<p>Please see Dealing with Bullies under the social studies unit boxes for full list of books enclosed.</p>
<p style="text-align: center;">Ancient Egypt <i>(social studies unit integrated with literature)</i></p> <p><i>4 copies</i></p>	2	<p>Lesson plans, N.C. background, many books, great activities, etc.</p>	<p>Please see Ancient Egypt under social studies unit boxes for full list of books enclosed.</p>
<p style="text-align: center;">Fish <i>(a science unit integrated with literature)</i></p> <p><i>2 copies</i></p>	2	<p>Includes teaching ideas, N.C. background, and books such as: <i>Fish Is Fish, Swimmy, The Rainbow Fish, and Big Al</i>.</p>	<p>Literature books about fish (and ocean life) support exploration of the seasons. Some teachers use this unit at the beginning or end of the school year.</p>
<p style="text-align: center;">The Animal Kingdom: Sheep and Other Domesticated Animals <i>(integrated with religion and science)</i></p> <p><i>3 copies</i></p>	2	<p>Teaching ideas, N.C. background, sheep's wool, and many wonderful books.</p> <p><i>For a list of books, please see the full description under the listing in the science unit boxes.</i></p>	<p>This unit is well integrated with the religion curriculum, Hebrew patriarchs, and other second grade units.</p> <p>Resources and activities help students learn more about sheep and other domesticated animals, including: horses, camels, cattle/calves, goats, and pigs.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>Native Americans <i>(a social studies unit integrated with literature)</i> 3 copies</p>	<p>2</p>	<p>Lesson plans, N.C. background, many books, great activities, etc.</p>	<p>Please see Native Americans under social studies unit boxes for full list of books enclosed.</p>
<p>Water <i>(a science unit integrated with literature)</i> 3 copies</p>	<p>2</p>	<p>Teaching ideas, N.C. background, experiments, activities, and books.</p>	<p>Please see Water under science unit boxes for full list of books enclosed. Note: A key activity of this unit is writing a story about a drop of water to illustrate the water cycle.</p>
<p>Helping in a Community</p>	<p>2-3</p>	<p>Teaching ideas, N.C. background, and books.</p>	<p>Please see Helping in a Community under social studies unit boxes for a list of books enclosed.</p>
<p><i>The Hundred Penny Box</i> by Sharon Bell Mathis</p>	<p>2-3</p>	<p>Includes a teacher’s manual with extensive lesson plans for a multi-grade (or multi-level) classroom.</p>	<p>Realistic Fiction—This story tells about a boy and his Great-Great Aunt, who has a box with a penny in it for every year of her life. It is a story that can be used in connection with the Hundredth Day of School.</p>
<p><i>The Adventures of Major Tom</i></p>	<p>2-4</p>	<p>2 copies each of 6 different stories, 3 audiotapes, vocabulary lists, activity sheets & colored illustrations.</p>	<p>6 science fiction adventures for young readers, including: <i>The Missing Ambassador</i>, <i>The Space Pirates</i>, <i>Space Invasion Skyhawk</i>, and <i>The Planet of the Elves</i>.</p>
<p>Fairy Tale Magic</p>	<p>2-4</p>	<p>Commercial unit with teaching ideas, activity cards, and skill checklist.</p>	<p>This independent reading unit is designed to be used with teacher/student selected fairy tales.</p>
<p>Mouse Tales</p>	<p>2-4</p>	<p>Commercial unit to use with stories about mice, includes notebook of masters and 39 activity cards that focus on creativity, comprehension, and word use.</p>	<p>This unit could be used for individual, small group or whole class reading programs. It includes a list of picture books and fiction about mice as well as various suggestions for teachers.</p>

**GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES**

SOCIAL STUDIES UNIT BOXES

Title	Grade	Contents	Description
<p style="text-align: center;">Building Moral Character <i>(religion unit integrated with social studies)</i></p> <p>New!</p>	K-2	Teacher’s manual with N.C. background material and lesson plans from an experienced teacher, a book of activities relating to character education, and books for this age level, which include: <i>Dare to Have Courage, Would It Be Right?, Telling the Truth, Never Give Up, Working Together, Be a Friend, and You Can Count on Me.</i>	Developed by a classroom teacher, this unit box provides lesson plans and a series of books published by Creative Teaching Press to help young children learn about positive character traits. These can be used proactively or when a teacher sees some negative behavior.
<p style="text-align: center;">Learning About Disabilities <i>(social studies unit integrated with literature)</i></p>	K-2	Unit plan, N.C. background, and books such as <i>See the Ocean, Lucy’s Picture, The Balancing Girl, My Buddy, and Through Grandpa’s Eyes.</i>	Wonderful books and many creative activities (relating to the literature) to help introduce children to various disabilities.
<p style="text-align: center;">China <i>(social studies unit integrated with literature)</i></p> <p><i>5 copies, enclosed books may vary</i></p>	1	Lesson plans, N.C. background, video, tangrams, projects, audiotape, posters, and many books, including <i>The Empty Pot, The Dragon’s Tale, Lao Lao of Dragon Mountain, Growing Up in Ancient China, Yeh-Shen, Journey through China, The Dragon’s Robe, and The Emperor and the Kite.</i>	A wonderful unit box, with great literature and project ideas. Projects include: Chinese lion mask, fish or butterfly kite, drawing Chinese characters, and making ribbon dance sticks. This unit can be compacted into two weeks unit exploring China’s rich cultural traditions.
<p style="text-align: center;">Family <i>(religion and social studies, integrated with literature)</i></p> <p><i>4 copies</i></p>	1	Teaching ideas and wonderful books, such as: <i>If You Were My Mother, My Dad, Nana Upstairs and Nana Downstairs, and The Relatives Came.</i>	Wonderful literature and teaching ideas to help children reflect on “the family” and how each member contributes. This unit is integrated with religion.
<p style="text-align: center;">The Inuit <i>(social studies unit integrated with literature)</i></p> <p><i>5 copies , enclosed books may vary</i></p>	1	Teaching ideas, N.C. and other background material, pictures, and activities. Books include: <i>Whale Brother, A Promise Is a Promise, The Eye of the Needle, Mama Do You Love Me?, Nessa’s Fish, The Enchanted Caribou, Atuk, Arctic Babies, Here Is Arctic Winter, My Arctic 1,2,3, Eskimo Boy, One Small Square: Arctic Tundra.</i>	A resource unit for studying the Inuit culture, illustrating how people use what the Lord has provided in their environment. Projects include making dream-catcher masks, miniature igloos, and an Inuit figure with clay. <i>Note: The science unit on Arctic Animals is taught in conjunction with the study of the Inuit.</i>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>The Most Ancient Church <i>(religion and social studies)</i></p> <p>3 copies</p>	<p style="text-align: center;">1</p>	<p>Lesson plans, N.C. background material, project ideas, sheep's wool, <i>Life in the Most Ancient Church, The Pomegranate with Seeds of Gold, and several copies of A Trip to the Golden Age.</i></p>	<p>A resource unit to help teach children about the Most Ancient Church on earth and in heaven. Activities include eating the kinds of food that the most ancients ate and making a diorama of their life on earth with fabric tents and lambs made with sheep's wool.</p>
<p>Friendships with the Elderly <i>(literature unit integrated with social studies)</i></p>	<p style="text-align: center;">1-2</p>	<p>Teaching ideas and books.</p>	<p>Please see Friendships with the Elderly under literature unit boxes for a list of books enclosed.</p>
<p>Life in Africa <i>(social studies unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p style="text-align: center;">1-2</p>	<p>Teaching ideas, N.C. background, many folktales, games, music, photographs of South Africa, recipes, and artifacts. <i>(For list of enclosed books and tapes see listing under literature units.)</i></p>	<p>Primarily a literature unit with theme of African folk tales, this unit supports the first grade focus on family and cultures influenced by the Most Ancient Church. The suggested response activity for <i>Jambo Means Hello</i> is to make alphabet books for student's family or community. Also includes ideas for integrating with science, art, music, etc.</p>
<p>The Netherlands (formerly titled Holland)</p> <p><i>(social studies unit integrated with literature)</i></p> <p>2 copies, enclosed books may vary</p>	<p style="text-align: center;">1-2</p>	<p>Teaching ideas, filmstrips, wooden shoes, a Dutch cap, Dutch coins, and sample projects. Books include: <i>The Hole in the Dike, The Cow Who Fell in the Canal, Wilhelmina of Holland, Look What Came from the Netherlands, The First Tulips in Holland, The Boy Who Held Back the Sea, and Boxes for Katje.</i></p>	<p>Wonderful unit supported with great literature, activities, and projects. Students make a sand table display of the sea, land, dikes, windmills, etc. Students may also enjoy planting flower bulbs, learning Dutch phrases, singing a traditional song, and writing a story about Holland.</p>
<p>Cooperation <i>(social studies unit integrated with literature)</i></p>	<p style="text-align: center;">1-3</p>	<p>Teaching ideas and several books or tales illustrating the concept, including: <i>The Fool of the World and the Flying Ship, "The One Turnip Garden," "The Ram and the Pig Who Set Up House," "White Wing's Escape", and Officer Buckle and Gloria.</i></p>	<p>Explores the need for cooperation to overcome challenges and help everyone make good use of the gifts the Lord has given to them.</p>
<p>Dealing with Bullies <i>(social studies unit integrated with literature)</i></p>	<p style="text-align: center;">1-3</p>	<p>Teaching ideas and several children's books like <i>Bootsie Barker Bites, Chester's Way, Weekend with Wendell, and Chrysanthemum.</i></p> <p><i>Note: Many of the activities are from Friends and Relations: Using Literature with Social Themes K-2 by Carol Otis Hurst and Rebecca Otis.</i></p>	<p>The books illustrate different ways to deal with people who are bullies or very bossy. One of the books explores when teasing becomes ridicule.</p> <p><i>Suggested activities include:</i></p> <ul style="list-style-type: none"> • Before reading the stories, brainstorm ways to handle bullying or ridicule. • Stop and discuss alternatives at different points in the story. • Finish these sentences: "You know you are being a bully when..." or "You know you are teasing someone too much when..."

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>Ancient Church <i>(social studies and religion)</i></p> <p>4 copies</p>	<p style="text-align: center;">2</p>	<p>Teaching ideas, N.C. background material, photographs of mural project, copies of <i>The Silver Age</i>, and <i>A Trip to the Golden Age</i>.</p>	<p>A resource unit about the Ancient Church and the heaven of the Silver Age. Ideas include making an illustrated class book of the different names of the Lord, reading books with the theme of friendship, and discussing “being a friend” to others. Students read <i>The Silver Age</i>, make rainbow paintings (red, blue, and white) like the one Swedenborg saw in heaven, and make a mural of the heaven of the Silver Age.</p>
<p>Ancient Egypt <i>(social studies unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p style="text-align: center;">2</p>	<p>Extensive lesson plans, N.C. background, "artifacts", inflatable mummy, hieroglyph puzzles, senet game, and 5 copies of <i>Tut's Mummy: Lost...and Found</i>. Books include: <i>Boy of the Pyramids</i>, <i>The Egyptian Cinderella</i>, <i>Gift of the Nile</i>, <i>The Day of Ahmed's Secret</i>, <i>An Egyptian Pyramid</i>, <i>Pepi and the Secret Names</i>, and <i>Growing Up in Ancient Egypt</i>.</p>	<p>This unit is integrated with literature, art, and math. In exploring this culture influenced by the Ancient Church, children learn about the religion, hieroglyphs, way of life, and archaeology. Activities include matching hieroglyphs with their meaning and an Egyptian celebration. Children also enjoy having <i>Boy of the Pyramids</i> read aloud.</p>
<p>Hebrew Patriarchs <i>(religion and social studies)</i></p> <p>4 copies, enclosed books may vary</p>	<p style="text-align: center;">2</p>	<p>Teaching ideas, N.C. and other background material, 9 color illustrations, and photographs of diorama and classroom tent. Books include: <i>Ali: Child of the Desert</i>, <i>Nadia the Willful</i>, <i>Sahara</i>, <i>Abdul of Arabia</i>, <i>The Shepherd Psalm</i>, and <i>All the Plants of the Bible</i>.</p>	<p>Helps children visualize how Abraham and his family would have lived in the land of Canaan. Discuss the terrain, plants, animals with emphasis on sheep, camels, and the olive tree. The unit describes the worship, food, clothing, shelter, and activities of the Hebrews. Activities include setting up a tent in the classroom, learning about wells, and having a nomadic “feast.” You may also compare the ancient Hebrews with nomads of today, such as the Tuareg and the Bedouins.</p>
<p>Native Americans <i>(social studies unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p style="text-align: center;">2</p>	<p>Unit plan, N.C. background, activities, posters, and Native American artifacts (including deerskin, dream catcher, rabbit skin, wooden canoe, sage and sweet grass). Books include: <i>Dancing Teepees</i>, <i>Thirteen Moons on Turtle's Back</i>, <i>The Story of Jumping Mouse</i>, <i>The Legend of Scarface</i>, <i>Crow Chief</i>, <i>Children of Earth and Sky</i>, <i>Eagle Boy</i>, <i>The Goat in the Rug</i>, <i>The Mud Pony</i>, <i>Gift of the Sacred Dog</i>, <i>Love Flute</i>, <i>Sootface</i>, <i>Legend of the Indian Paintbrush</i>, and <i>People of the Breaking Day</i>.</p>	<p>Uses myths, hero tales, and many activities to learn about the culture of ancient Native Americans. Shows how they appreciated the beauty and order of nature, lived in harmony with creation, and worked together in the tribal community.</p> <p>Unit includes information on tribes in various regions and suggests ways to teach about religion, pictographs, sign language, games, songs, and crafts.</p>

**GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES**

Helping in a Community	2-3	Teaching ideas, N.C. background, and books such as: <i>Community Helpers A to Z</i> , <i>Chicken Man</i> , <i>Work and Teamwork</i> by Ann Morris, <i>My Father's Boat</i> , <i>Firefighters to the Rescue!</i> , and <i>Storytellers</i> .	Books and activities to help students explore the theme of community and how people contribute to the good of the whole. Possible activities include talking to people who seem to love their jobs; making a list of occupations and then sorting them into which ones provides goods and which ones provide services; and talking about the kinds of work that kids do at home, at school, and elsewhere.
-------------------------------	------------	---	--

SCIENCE UNIT BOXES

Title	Grade	Contents	Description
Mother Earth and Root Children <i>(science unit integrated with literature)</i>	K-1	<i>The Root Children</i> book, Mother Earth Doll, and tiny root children. complete with colorful silk gowns.	Use in conjunction with New Life from the Lord or Springtime. Wake the children up and put on the silk gowns in the spring.
Arctic Animals <i>(enclosed with the Inuit unit but may be ordered separately)</i>	1	Includes unit overview, N.C. background, information sheets for students to read about various arctic animals (written by a first grade teacher), sample of a class book, and suggested literature activities.	Students choose an Arctic animal, research it, make it out of beeswax or clay, and write a report to combine with the others into a class book. Students illustrate all of the animal reports for their copy of the class book.
Ecology: The Earth as Home <i>(introductory science unit integrated with literature)</i> <i>3 copies</i>	1	Books include: <i>A House Is a House for Me</i> , <i>Animals at Home</i> , <i>The Great Kapok Tree</i> , <i>Over in the Meadow</i> , <i>All in the Woodland Early</i> , <i>One on a Web</i> , <i>Whose House Is This?</i> , <i>Wonders of the Forest</i> , <i>One Small Square: Backyard</i> , and <i>In the Tall, Tall Grass</i> .	Literature and teaching ideas for introducing the earth as home for people and animals. This unit looks at habitats within their own community. Through other units, such as the Inuit, students may be introduced to additional habitats.
Four Seasons: Autumn <i>(science unit integrated with literature)</i> <i>4 copies, enclosed books may vary</i>	1	Includes teaching ideas, N.C. background, and several books: <i>In the Forest</i> , <i>One Small Square: Backyard</i> , <i>Frederick</i> , <i>Mousekin's Family</i> , <i>Look What I Did with a Leaf</i> , <i>All in the Woodland Family</i> , <i>The Dandelion Seed</i> , <i>Every Autumn Comes the Bear</i> , <i>Shadows of the Night</i> , <i>In the Forest</i> , <i>Frog and Toad All Year</i> , <i>Wonders of the Forest</i> , <i>Chipmunk at Hollow Tree Lane</i> , <i>One Small Square: Backyard</i> , <i>The Adventures of Chatterer the Red Squirrel</i> , and <i>Apple Picking Time</i> .	Looks at weather, plant life, animals, and activities of people in the autumn. Also looks at seeds, apple trees, and local woodland mammals. Suggestions include math activities with pumpkin seeds, categorizing seeds by how they travel, milkweed races, making acorn elves, etc.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Four Seasons: Spring</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	<p>Teaching ideas, N.C. and other background materials, and activities. Books include: <i>Spring, The Rose in My Garden, This Year's Garden, Did You Hear the Wind Sing Your Name?, Spring Song, The Caterpillar and the Polliwog, and Pond Year.</i></p>	<p>Follows suggestions of the proposed Science Curriculum to look at weather, plant life, gardens, and animals. Includes some resources relating to pond life and polliwogs.</p>
<p style="text-align: center;">Four Seasons: Summer</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	<p>Teaching ideas, background material, and books including <i>The Very Hungry Caterpillar, The Grouchy Ladybug, Ten Flashing Fireflies, and Be Nice to Spiders</i></p>	<p>A short unit looking at summer weather, activities of people, plant life, animals in the summer, and the sun. Includes a mini-unit on helpful insects that are associated with summer.</p>
<p style="text-align: center;">Four Seasons: Winter</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	1	<p>Teaching ideas, N.C. background, animal track stamps, and books such as: <i>Anno's Counting Book, Animals in Winter, Around the Year, Snow Is Falling, The Big Snow, Winter, The Snowy Day, The Tomten, A Busy Year, Whose Tracks Are These? Winter Poems, Chicken Soup with Rice, and The Mitten.</i></p>	<p>Activities and materials to help students observe the Lord's Creation in winter, looking at the activities of people, animals, and plants. Suggestions include: Snow Melt, Flakes Up Close, Where Do They Go in Winter? Snow Blanket, and Rhododendron Thermometer. Note: <i>This unit works well with the Inuit and Arctic Animal units.</i></p>
<p style="text-align: center;">Gold and Pearls</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies</p>	1	<p>Includes teaching ideas, N.C. and other background material, project ideas, and these books: <i>Grandfather Twilight, King Midas, and Pearlie Oyster.</i></p>	<p>A mini-unit to learn about precious gold and pearls in connection with a worship unit on the Holy City New Jerusalem. One suggestion is to tell students how pearls are formed, showing them pearls, an oyster shell, and sand.</p>
<p style="text-align: center;">Rainbows</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	1	<p>Lesson plans, N.C. background, tape (<i>I Can Sing a Rainbow</i>) and photographs of projects. Books include: <i>The Rainbow Goblins, Rainbow of My Own, and Rainbow Crow.</i></p>	<p>This one-week unit supports the first grade religion curriculum lessons on Noah. Activities include making colored sand rainbows and rainbow bottles. <i>NOTE: We suggest using this unit when teaching about Noah in religion!</i></p>
<p style="text-align: center;">Simple Machines</p> <p>2 copies, enclosed books may vary New DVD!</p>	1	<p>Unit overview and daily lesson plans, N.C. background, and books such as: <i>How Do You Lift a Lion?; Mike Mulligan and His Steam Shovel; Levers, Pulleys, Machines We Use; and Design and Create Simple Machines.</i></p>	<p>This two-week unit looks at simple machines we use in daily life. Includes many hands-on experiments and ways to demonstrate simple machines in the classroom. Fun projects include making miniature flagpoles (pulleys) and helicopter toys.</p>
<p style="text-align: center;">Teeth</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p>	1	<p>Teaching ideas and these books: <i>No Tooth, No Quarter!; Little Rabbit's Loose Tooth; and Arthur's Loose Tooth.</i></p>	<p>A brief unit about teeth that is well-integrated with literature.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p>Trees: Through the Seasons <i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	<p>1</p>	<p>Many teaching ideas, N.C. background material, audiotape of the Johnny Appleseed song, posters, pictures, and books: <i>The Tree in the Wood, Once There Was a Tree, A Tree Is a Plant, A Tree Is Growing, Tree in the Ancient Forest, One Small Square: Woods, Forest of Dreams, A Tree Is Nice, The Tree Almanac, Be a Friend to Trees, One Day in the Woods, How the Forest Grew, The Seasons of Arnold's Apple Tree, Apple Picking Time, and Lindbergh's Johnny Appleseed.</i></p>	<p>This resource unit covers the parts of a tree, its life cycle, seasonal cycle, uses, and some identification. Activities include a wall collage of tree parts, adopting a tree to follow through the seasons, making acorn elves, learning about Johnny Appleseed, role-playing the life of a tree, identifying products that come from trees, and doing art projects.</p>
<p>Wild Animals Nearby <i>(science unit integrated with literature)</i></p> <p>2 copies, enclosed books may vary</p>	<p>1</p>	<p>Teaching suggestions, N.C. background material, pictures, and these books: <i>Whitetails for Kids; Deer at the Brook; Once upon a Springtime; All about Deer; The Deer, Rabbits, Squirrels; and Chipmunks; and Chipmunk at Hollow Tree Lane.</i></p>	<p>A resource unit to help students learn about deer, squirrels, and other animals that live nearby.</p> <p><i>Note: Because many of the animals that live nearby depend upon trees, this unit can be connected with that science unit.</i></p>
<p>Frog and Toad Together <i>(science unit integrated with literature)</i></p>	<p>1-2</p>	<p>Includes lesson plans, N.C. background, activities, and books such as: <i>Frog and Toad Together; Jump Frog, Jump!; The Pond; and The Caterpillar and the Polliwog.</i></p>	<p>Science activities and books to enrich a literature unit on <i>Frog and Toad Together</i>. This unit could support the study of spring in first grade or the study of water in second grade. Suggestions include observing frogs and learning how they cope with the 4 seasons. <i>(Note: Third graders will study the life cycle of frogs in more detail.)</i></p>
<p>Ecology: Care for the Environment (optional) <i>(science unit integrated with literature)</i></p> <p>2 copies</p>	<p>1-3</p>	<p>Unit plan, N.C. and other background material, and many activities. Books include <i>The Lorax</i> by Dr. Seuss.</p>	<p>A mini-unit designed to help children think about our responsibility to take care of the Lord's creation. Suggested activities include making a compost pile and predict what will decompose the fastest and trying to clean up a simulated oil spill.</p>
<p>Video <i>The Wonders of God's Creation: Animal Kingdom</i></p>	<p>1-up</p>	<p>A 66 min. video from the Moody Institute of Science showing many wonders of nature and evidence of the Creator's care.</p>	<p>For an older audience, but includes good segments on monarch butterflies (life cycle and migration), bird flight, and honeybees (dances).</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">The Animal Kingdom: Sheep and Other Domesticated Animals</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching ideas, N.C. background, sheep's wool, and books such as: <i>Pelle's New Suit, Charlie Needs a Cloak, Warm as Wool, Red Berry Wool, The Snow Lambs, A Symphony for the Sheep, Maury Had a Little Lamb</i>. Books on other domesticated animals include: <i>All Pigs Are Beautiful, Beatrice's Goat, and Hooray for Dairy Farming!</i></p>	<p>This unit is well integrated with the religion curriculum, Hebrew patriarchs, and other second grade units.</p> <p>Resources and activities help students learn more about sheep and other domesticated animals, including: horses, camels, cattle/calves, goats, and pigs.</p>
<p style="text-align: center;">Ants</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching suggestions, N.C. background, plastic model of an ant, and books such as: <i>If You Were an Ant, Hucklebug, Ant Cities, Very First Things to Know about Ants, Armies of Ants, The Ant and the Elephant, One Hundred Hungry Ants, and Amazing World of Ants</i>.</p>	<p>Read aloud <i>The Little Black Ant</i>, an excellent story about a community of ants. Create an ant farm, make a diagram of an ant's body, determine the food preferences of ants, and write about the world as seen by an ant.</p> <p>Includes suggestions for math integration.</p>
<p style="text-align: center;">Baby Animals</p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching ideas, pictures and these books: <i>Animals Born Alive and Well, If You Were a Kitten, Baby Wild Animals, How Animals Care for Their Babies, Meet Baby Animals, Wild Babies, Baby Whales Drink Milk, Baby Wolf, Black Bear Cub, and The Four Friends</i>.</p>	<p>This resource unit includes teaching ideas from three teachers, wonderful books, and pictures.</p>
<p style="text-align: center;">Birds</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>4 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching ideas, N.C. background material, hands-on activities, pictures, and posters of songbirds and nests. Books include: <i>The Little Brown Jay, Puffin's Homecoming, Bald Eaglets, Amazing Birds, How Do Birds Find Their Way?, Chibi, The Cuckoo Child, If You Should Hear a Honey Guide, The Tale of the Mandarin Ducks, What Is a Bird?, and Cardinals, Robins, and Other Birds</i>.</p>	<p>A resource unit with lesson plans from two classroom teachers and many hands-on activities including: Mystery Bird Descriptions, Focus on Feathers, Bird Chorus, Try Building a Nest, Why Migrate? Migration Obstacle Course, Night Flight, making clay birds' eggs, and making bird feeders.</p> <p><i>Note: The notebook is now easier to use, having been rearranged as suggested by a classroom teacher.</i></p>
<p style="text-align: center;">Fish</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>2 copies, enclosed books may vary</p>	<p>2</p>	<p>Includes teaching ideas, N.C. background, and books such as: <i>If You Were a Fish, Fish Is Fish, Swimmy, The Rainbow Fish, Big Al, Life at the Seashore, The Ocean Alphabet Book, The Underwater Alphabet Book, and Amazing Fish</i>.</p>	<p>Follows the proposed science curriculum in looking at the habitats, characteristics, uses, and life cycle of fish. There is great literature that can be used to enrich this unit.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Honeybees</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching suggestions, N.C. and other background material, and activities. Books include: <i>The Bee Tree, The First Book of Bees, Honeybee, Gran's Bees, Inside a Beehive, Life and Times of the Honeybee, The Honeymakers, and Questions and Answers about Bees.</i></p>	<p>Suggested activities include making beeswax candles, exploring the strength hexagons give the honey comb, trying the dance of the bees, and dramatizing the different roles of workers in a beehive.</p>
<p style="text-align: center;">Magnets</p> <p>2 copies</p>	<p>2</p>	<p>Teacher instructions, activities, 11 copies of <i>Amazing Magnets</i>, Van Cleave's book about magnets, 35 Science Projects, magnetic marbles, magnetic pick up sticks, Levitation set, and lots of magnets.</p>	<p>Magnetism unit is designed for primary grades, but the great equipment could also be used at the intermediate level.</p>
<p style="text-align: center;">Muscles</p> <p>2 copies</p>	<p>2</p>	<p>Unit overview, daily lesson plans, <i>You Can't Make a Move Without Your Muscles</i> by Paul Showers, and Seymour Simon's <i>Muscles</i> (for teacher background).</p>	<p>Includes great lesson plans donated by a classroom teacher and a student teacher.</p>
<p style="text-align: center;">Plants</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>2 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching ideas, N.C. background material, and books such as: <i>Eating the Alphabet, The Reasons for a Flower, Plants that Never Ever Bloom, Alison's Zinnia, Oh Say Can You Seed?, Miss Rumphius, The Seasons of Arnold's Apple Tree, and From Seed to Plant.</i></p>	<p>This unit explores the variety of plants, what plants need in order to grow, the parts of plants, plant life cycle, and the uses of plants. Teaching ideas include dramatizing the life of a seed, experiments to see what plants need, discussing what parts of plants we eat, and looking at plants in the land of Canaan.</p>
<p style="text-align: center;">Water</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Teaching ideas, N.C. background, and experiments from Edith Sisson's <i>Nature with Children of All Ages</i>. Books include: <i>Follow the Water from Brook to Ocean, The Water's Journey, Small Cloud, What Makes It Rain?, Who Sank the Boat?, Down Comes the Rain, Follow Water from Brook to Ocean, Pond Year, River of Life, By Lakes and Rivers, River Story, Pond Life, Think of a Beaver, Otters Under Water, Raccoons for Kids, A Drop around the World, Thomas Locker's Water Dance, and Water Water Everywhere.</i></p>	<p>Learn about water, the water cycle, and how living things depend on water. Experiments explore water in air, soil, and living things, the water cycle, and surface tension. Projects include a story about the journey of a raindrop and a mural of pond life.</p> <p>This unit box also includes ideas for teaching about floating and sinking, rivers, and books about mammals that live near water (e.g. beavers, otters, and raccoons).</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Weather</p> <p style="text-align: center;"><i>(science unit integrated with literature)</i></p> <p>3 copies, enclosed books may vary</p>	<p>2</p>	<p>Many teaching ideas, N.C. and other background material, and books which include: <i>Bringing the Rain to Kapiti Plain, Cloudy with a Chance of Meatballs, Weather Words and What They Mean, Weather Poems for All Seasons, Tornadoes!, Thunder Cake, The Storm Book, Lightning, Why Do We Have Wind and Rain?</i>, and <i>Rain</i>.</p>	<p>Look at the sun, seasons (review), types of clouds, kinds of weather, wind, rain, snow, etc. Suggested activities include having students make clouds with cotton balls or the wax resist method, test the direction the wind is blowing, draw a storm sequence picture, and discuss the usefulness of different kinds of weather.</p>

MATH UNIT BOXES

Title	Grade	Contents	Description
<p style="text-align: center;">Polydron</p> <p>3 copies</p>	<p>All</p>	<p>Polydron, a construction set (with square, triangular, hexagonal, pieces), activity cards, and teacher's guide.</p>	<p>"Polydrons" are plastic interlocking shapes to create various 3-D shapes. Students can experiment freely, and then try some activities.</p>
<p style="text-align: center;">Polydron Sphera</p> <p>New!</p>	<p>All</p>	<p>Polydron Sphera construction set (with spheres, cylinders, circles, cones, squares, and right-angle triangles pieces), instruction sheet, book on exploring the Polydron Sphera, and teacher's guide.</p>	<p>The Poldron Sphera is similar to the Polydron unit, however in this set students can construct spheres, hemispheres, cylinders and cones.</p>
<p style="text-align: center;">Tangrams and More</p> <p>2 copies</p>	<p>All</p>	<p>Tangrams, <i>Grandfather Tang's Story</i> (and task cards), tangram activities.</p>	<p>A fun approach to problem solving.</p>
<p style="text-align: center;">Numbers</p>	<p>K-1</p>	<p>Unit overview and lesson plans designed by a New Church teacher. Also includes related activities. (Books not included.)</p>	<p>Suggestions for three-week unit on numbers, reading one counting book each day, followed by a hands-on activity and a worksheet. Recommended books include: <i>Five Little Monkeys Sitting in a Tree, Seven Blind Mice, Numbears, The Boy Who Was Followed Home, etc.</i> (A good review for first graders.)</p>
<p style="text-align: center;">Time and Clocks</p> <p>2 copies</p>	<p>K-3</p>	<p>Lesson plans with suggested activities, learning center, work sheets. Books include <i>The Grouchy Ladybug, Clocks and More Clocks, What Time Is It?, and My First Book of Time.</i></p>	<p>A resource unit of ideas for teaching students about clocks. Teaching ideas include playing the What Time Is It Mr. Fox? game.</p>
<p style="text-align: center;">Math Puzzlers and Games, Set 1</p>	<p>K-3</p>	<p>Activities from <i>Wonderful Ideas</i> from the Institute for Math Mania. Includes task cards, teacher's guide, and most of the materials.</p>	<p>Includes: Greater Than / Lesser Than Card Games (with variations including a positive/negative numbers version), 2 logic puzzles with money, and toothpick puzzlers. Also 7 "Ideas" (math activities) for levels 1, 2 or 3, 4.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

Pattern Math	K-6	Pattern blocks, Pattern Math (Creative Publications), and reproducible activity sheets.	Use problem-solving skills to fit together various combinations of blocks to make patterns. And make your own designs!
<p>NOTE: If you wish to borrow the Box It or Bag It Math Games for your classroom, we highly recommend that you purchase a copy of the teacher's manual, <i>Box It or Bag It Mathematics Teachers Resource Guide: First-Second</i>, to facilitate making maximum use of these wonderful games. It is available for \$39.50 from the Math Learning Center, P.O. Box 12929, Salem, Oregon 97309-0929. Phone 1-800-575-8130. Website URL mlc@mathlearningcenter.org.</p>			
<i>Box It or Bag It Mathematics</i> Set A: Pattern Games	1-2	Individually boxed games include playing instructions, game boards, and materials. Games include: Sticker Patterns, Pattern Shapes Race, Alphabet Stamps, Quilt Patterns, Calendar Patterns, Pattern Blocks, and Tile Patterns.	Explore copying patterns, creating patterns, translating patterns from one medium to another, and patterning by a variety of attributes. Good supplement for the Wynroth math and other math programs.
<i>Box It or Bag It Mathematics</i> Set B: Arithmetic Games <i>2 copies</i>	1-2	Individually boxed games include playing instructions, game boards, and materials. Games include: Dice Toss, Shake Those Beans, Tic Tac Toe, Piggybank Subtraction, Addition Lotto, and Twenty-One.	These games help children explore the processes of addition and subtraction. Group lessons should precede individual use of these games. Good supplement for the Wynroth math and other math programs.
<i>Box It or Bag It Mathematics</i> Set C: Place Value Counting Games <i>2 copies</i>	1-2	Individually boxed games include playing instructions, game boards, and materials. Games include Beachcomber Trading, The Easter Egg Factory, Spaceship Factory, Grand Prix, Matrix Madness, and Rags or Riches?	Use counting and trading games to develop students' understanding of place value. Group lessons should precede individual use of these games. The group lessons introduce Base 4 and Base 5 before working in Base 10. Good supplement for the Wynroth math and other math programs.
<i>Box It or Bag It Mathematics</i> Set D: Place Value Addition and Subtraction Games <i>2 copies</i>	1-2	Individually boxed games include playing instructions, game boards, and materials. Games include: Triangle Toss, Spin and Spin Again, Eating Out, Tens Minus Less, Trip Spin Take Away, Race to 100, and Grand Prix.	These games explore the addition and subtraction of two and three digit numbers. Group lessons should precede individual use of these games. Good supplement for the Wynroth math and other math programs.
<i>Box It or Bag It Mathematics</i> Set E: Money Games <i>2 copies</i>	1-2	Individually boxed games include playing instructions, game boards, and materials. Games include: Roll Twenty-Five Cents, Money Trading Game, Dig for Buried Treasure, Shopping Spree, Drop the Money, and Penny Push.	These games help students recognize coins and their values, add and subtract with coins, and solve simple story problems about money. Group lessons on money should precede individual use of these Money Games. Good supplement for the Wynroth math and other math programs.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p style="text-align: center;">Teaching Math with Children's Literature</p> <p><i>3 copies</i></p>	1-2	Teaching ideas and books such as: <i>How Many Snails?</i> , <i>Numbears</i> , <i>Splash!</i> , <i>The M& M Counting Book</i> , <i>12 Ways to Get to 11</i> , <i>The Right Number of Elephants</i> , <i>Caps for Sale</i> , <i>Seven Blind Mice</i> , and <i>What Comes in 2s, 3s, and 4s?</i>	Many ideas and some books for teaching math with children's literature.
Fractions in Action	1-3	Four games and book using fractions of a chocolate bar. Uses fractions $\frac{1}{2}$ $\frac{1}{4}$ $\frac{1}{8}$ $\frac{1}{3}$ $\frac{1}{6}$ $\frac{1}{5}$ and their multiples.	Commercially produced by <i>Hershey's</i> chocolate company.
The 100th Day of School	1-3	Lesson plans and activity sheets dealing with the number 100.	Many suggestions for celebrating the 100th day of school with fun math activities.
Money	1-3	Lesson plans, activities, and books: <i>Dollar for Penny</i> , <i>Coin Counting Book</i> , <i>Max's Money</i> , <i>Penny Pot</i> , <i>The Trouble with Money</i> , and <i>A Chair for My Mother</i> .	Explore the mathematical concepts relating to U.S. currency and concepts relating to earning, saving, and spending money.
Wynroth Math: A Million	1-3	Instructions, game board, wooden counters, counting cards, and playing pieces.	Practice of multiplication of a multi-digit number by any number up to ten, and more experience with operations on the basic number pairs.
Wynroth Math: Add Up to/ Subtract to Cards	1-3	Instructions, and 3 sets of cards.	Learning to find a missing addend which, when added, will result in a given sum, and finding the missing number which, when subtracted, will result in a given difference.
Wynroth Math: Animal Spots	1-3	Instructions, 3 wooden animals, spots, and operation cards.	Teaches concept of number and same number up to ten, and operations.
Wynroth Math: Bean Bag Bowling	1-3	Instructions, bowling mats, pins, bean bags, wooden counters, and assorted dice.	Teaches students to add multi-digit numerals, with and without regrouping.
<p style="text-align: center;">Wynroth Math: Dinosaur Race</p> <p><i>2 copies</i></p>	1-3	Instructions, game board, plastic dinosaurs, and assorted dice.	For the practice of addition using natural numbers 0-10 and later the practice of multiplication, subtraction, and division.
Wynroth Math: Dominoes	1-3	Instructions, and domino pieces.	Teaches concept of number and same number, sequencing, and missing addends
Wynroth Math: More Than/Less Than	1-3	Instructions, cards, and easy K-1 level.	Extends concepts of number and counting up to ten, and the terms more than or less than in the sense of number.
<p style="text-align: center;">Wynroth Math: Road Hog:</p> <p><i>2 copies</i></p>	1-3	Instructions, game board, wooden cars, and playing cards.	More experience finding missing addends, and learning to find missing factors in multiplication.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<i>Wynroth Math:</i> Slides and Ladders	1-3	Instructions, game board, playing pieces, and dice.	Teaches and provides practice for operations.
<i>Wynroth Math:</i> Supposed to Be	1-3	Instructions, game boards, fill-in-the-blank cards, and answer cards.	Teaches students to apply the missing addend and number concepts in written form. Multiple difficulties.
Problem Solving with Pentominoes	1-4	A book of reproducible activities and teaching notes (from Learning Resources).	This collection of fun activities covers symmetry, tessellations, area, and perimeter. Use with small groups, individuals, or whole class.
Exploring Symmetry with Kaleidoscope Math	1-8	Teaching ideas for exploring symmetry in nature and art, <i>Kaleidoscope Math</i> kit (Creative Publications), 5 mirrors, and the books <i>Look Twice!</i> and <i>'M' is for Mirror</i> . Includes 9 progressive sets of activities for examining images with mirrors placed at different angles.	This enrichment unit offers a variety of activities to help students explore symmetry in nature, create symmetrical designs, and use mirrors to observe mirror patterns from simple reflections to polygons and prisms. Use with small groups, individuals, or whole class.
Think-n-Touch: Handles for Problem Solving	2-up	A Marcy Cook Math book of 180 manipulative problems.	Develop problem-solving skills using coins, toothpicks, pretzels, and tiles as manipulatives.

RESOURCES FOR THE VISUAL ARTS

Title	Grade	Contents	Description
<i>Project Method and Idea Book</i> by Janet H. McMaster	All	Many wonderful projects, arranged by drawing projects, painting projects, and collage projects.	Janet suggests specific application to stories in the Word. <i>Note: May be purchased from Office of Education.</i>
<i>Sunday School Projects and Activities</i> by Lori Odhner, Wendy Hoo, and Sonia Werner	All	Large notebook of projects arranged by book of the Word.	Valuable source of religion project ideas for preschool, primary, and intermediate levels. <i>Note: May be purchased from Office of Education.</i>
Washington New Church School Art Curriculum by Erin Stillman	All	A useful notebook showing one school's creative application of resources such as Art in Education. Includes some artwork and commentary.	An overview of the art curriculum at WNCS, looking at Elements and Concepts, Mediums, and Components to be included.
<i>Art in Education</i> by Beth Johns, Erica Swadley, and Yorvar Synnestvedt	K-8	Includes the underlying philosophy, suggested curricula for each grade, and specific project ideas.	This wonderful resource for teaching art was first published in 1974 and reissued in 1997. <i>Note: May be purchased from the Office of Education.</i>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
FIRST and SECOND GRADE UNIT BOXES

<p><i>Using Art to Teach History and World Cultures</i> by Julie Uber <i>3 copies</i></p>	1-6	<p>Project ideas grouped under: Most Ancient Church, Ancient Church, Israelitish Church, Christian Church, Remnants of the Ancient Church, More Modern Times in the Christian Church, and the New Church.</p>	<p>Presented at the 1995 Education Council, this is a wonderful resource for art projects integrated with the religion and art curricula.</p>
---	------------	---	---

MUSIC UNIT BOXES

Title	Grade	Contents	Description
<p>BACS Music Course Records: First Grade by Margit Irwin <i>4 copies</i></p>	1	<p>Teacher's manual with 67 lessons, sacred music, secular repertoire, and audiotape.</p>	<p>This valuable resource for teaching music in New Church schools includes a wide variety of music and supports several units in the first grade curriculum such as China and the Inuit.</p>
<p>BACS Music Course Records: Second Grade by Margit Irwin</p>	2	<p>Teacher's manual with 69 lessons, songs, dances, rhythm activities, sacred music, information about composers, and audiotape.</p>	<p>Includes songs and dances that enrich units being studied, such as Native Americans, Hebrew Patriarchs, and Honeybees.</p>
