Title	Grade	Contents	Description
Living Fountains New!	All	Audio CD of recitations from the Word set to music by Karen Childs Elder. Notebook of words and guitar chords. <i>Note: More in this series are being produced by Karen Childs Elder. Contact her for availability.</i>	A series of recitations from the Word set to contemporary music to engage students in learn verses from the Word. CD and book contain 34 recitations—a two year program.
Moral Virtues New!	All	A resource notebook with New Church background material and activities relating to spiritual and moral virtues. <i>Note: This resource notebook is a work in process, and we encourage teachers to contribute ideas and activities.</i>	The teacher’s manual covers virtues relating to these categories: <ul style="list-style-type: none"> ▪ Our relationship to the Lord. ▪ Our relationship to the neighbor. ▪ Helping the neighbor. ▪ Having a good attitude. ▪ Standing up for truth.
Kindergarten Religion Resources <i>(3 Volumes)</i>	K	Religion curriculum, teaching ideas, N.C. background material, pictures, songs, and projects are included in this 3 volume set.	Offers many ideas for implementing the religion curriculum and integrating it with other areas of the kindergarten curriculum.
Life After Death <i>3 copies</i>	K	Lesson plans, N.C. background, project ideas, audiotape, color illustrations, and these books: <i>Life Is Forever, Johnny Appleseed and Other Stories, The Life to Come, and The Angel Visitors.</i>	A wonderful resource for teaching kindergarten children about heaven. Activities include showing how the angels see rainbows of light from the Word and simulating the golden shower seen in heaven.
Building Moral Character <i>(integrated with social studies)</i> New!	K-2	Teacher’s manual with N.C. background material and lesson plans from an experienced teacher, a book of activities relating to character education, and books for this age level, which include: <i>Dare to Have Courage, Would It Be Right?, Telling the Truth, Never Give Up, Working Together, Be a Friend, and You Can Count on Me.</i>	Developed by a classroom teacher, this unit box provides lesson plans and a series of books published by Creative Teaching Press to help young children learn about positive character traits. These can be used proactively or when a teacher sees some negative behavior.
Character Development, Level A New! (Please check on when this will be available before ordering.)	K-2	Teacher background on the moral virtues and books such as <i>Character Building: Literature-Based Theme Units</i> by Jeri A. Carroll, Marsha A. Gladhart, and Dixie L. Petersen. May also include some of the literature suggested for these units.	These units suggest a variety of books (such as <i>Apple Picking Time, A Chair for My Mother, The Doorbell Rang, Too Many Tamales, Stلالuna, Strega Nona, Mean Soup, etc.</i>) to illustrate qualities that we would like to nurture.

SACRED LANGUAGES UNIT BOXES

Title	Grade	Contents	Description
Teaching Greek	K-8	Notebook with teaching ideas, student activities, and cassette tape.	Resources for introducing students to the basics of Greek. Includes the Greek alphabet, anthems and the Lord's Prayer in Greek.
Teaching Hebrew	K-8	Teacher's manual with teaching ideas, N.C. background, art projects, and student projects. Also includes <i>An Introduction to the Hebrew Language</i> and audio recordings of songs and the Ten Commandments in Hebrew.	Resources for introducing students to Hebrew letters and important words. Includes teaching aids for memorizing the Ten Commandments in Hebrew. Note: We recommend purchasing a copy of <i>An Introduction to the Hebrew Language</i> by Jennie Gaskill for each student in the class. The cost is \$2.00.
Teaching Latin	K-8	Notebook with teaching ideas and several books for use in elementary school. Includes <i>First Latin</i> teacher and student books 1 and 2, <i>Salvete! A First Course in Latin</i> teacher and student book, and the teacher's edition of <i>Discovering Languages, Latin</i> .	A collection of resources to introduce students to the Latin language. Includes religious songs in Latin, fun songs for memorizing grammar, projects to illustrate the Nunc Licet temple and notes from a summer course.

LANGUAGE ARTS UNIT BOXES

Title	Grade	Contents	Description
Alphabet Letter Bags, A-J	K	One bag for each letter provides stories, poems, puppets and activities and manipulatives.	Introduces children to each letter of the alphabet through fun guided activities.
Alphabet Letter Bags, K-R	K	One bag for each letter provides stories, poems, puppets and activities and manipulatives.	Introduces children to each letter of the alphabet through fun guided activities.
Alphabet Letter Bags, S-Z	K	One bag for each letter provides stories, poems, puppets and activities and manipulatives.	Introduces children to each letter of the alphabet through fun guided activities.
Animal Cages	K	Box containing directions, plastic animals, and lettered "cages" (berry baskets).	Children familiar with animal names and initial letter sounds will enjoy matching animals with cages that bear the initial letter of their names.
New Life from the Lord <i>(science unit integrated with literature)</i> <i>2 copies</i>	K	Unit plan, teaching ideas, N.C. background, and many books.	Wonderful literature and activities relating to the theme of New Life from the Lord. <i>Please the description under science units for a complete list of books.</i>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER

KINDERGARTEN UNIT BOXES

<p align="center">Phonics: Initial Letter Sounds</p> <p><i>2 copies</i></p>	K	Envelopes containing directions and games for distinguishing the letter sounds COG, RPB, LITV, QAS, WXXZ, DEF, YUJ, MNH.	Hands-on activities for increasing awareness of initial letter sounds.
<p align="center">The Sun and Solar System</p> <p><i>(science unit integrated with literature)</i></p> <p><i>2 copies</i></p>	K	Unit plan, N.C. background, and many books.	<p>Wonderful literature and activities relating to the theme of the sun and its impact on our lives.</p> <p><i>Please see The Sun and Solar System under science unit boxes for a complete list of enclosed books.</i></p>
<p align="center">Learning About Disabilities</p> <p><i>(social studies unit integrated with literature)</i></p>	K-2	Unit plan, N.C. background, and books such as <i>See the Ocean, Lucy's Picture, The Balancing Girl, My Buddy, and Through Grandpa's Eyes.</i>	Wonderful books and many creative activities (relating to the literature) to help introduce children to various disabilities.
<p align="center">Morning Circles</p> <p><i>3 copies</i></p>	K-2	Video demonstration of morning circles and a collection of poems and songs.	Morning circles combine movement with learning and can be integrated with religion, math, social studies, and science. For example, several of the enclosed poems and songs relate to the seasons, planting, or trees.
<p align="center">Reading and Writing Remediation</p>	K-5	Books such as: <i>Keep on Tracking, My Printing Book, Pre-Cursive Exercise, Cursive Handwriting, Critical Thinking: What's Wrong With This Picture?</i> Also, includes materials assorted pencils and grips, plastic place keepers, samples of various kinds of lined paper, mirror.	Assembled by Lori Nelson, special needs teacher, this collection of materials and activities assists teachers with children needing reading and writing remediation.

SOCIAL STUDIES UNIT BOXES

Title	Grade	Contents	Description
<p align="center">Children Around the World</p> <p><i>(Note: The mini-units on Canada and Mexico may be ordered separately or together with this unit.)</i></p> <p><i>This unit should follow or be integrated with the unit on Food, Clothing, and Shelter (see below)</i></p> <p><i>2 copies</i></p> <p>New Books & Video!</p>	K	Teaching ideas, N.C. background, pictures of children around the world, games, artifacts, and project ideas. Books include: <i>A Ride on Mother's Back, This Is My House, Koala Lou, Mushroom in the Rain, The Magic Peach, People, Jafta, The 4 Friends, Why Opossum Is Gray, and Children Just Like Me.</i>	The new social studies curriculum suggests focusing on neighboring countries (includes Canada, Mexico and U.S. for N. America) and then selecting several other countries to sample. This unit box provides an overview of the whole unit and resource materials for looking at children living in Korea, Ghana, Australia, Scotland, and the Pueblo Indian culture of the past. Students learn about their folk tales, food, clothing, shelter, games, and art.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER

KINDERGARTEN UNIT BOXES

<p>Children Around the World: Canada</p>	<p>K</p>	<p>Teaching ideas, background material, pictures, books, poster, flag, and coins. Books include: <i>O Canada, Journey Through Canada, Canada: the Land, Canada: the People, Canada, Count Your Way Through Canada, and A Prairie Alphabet.</i></p>	<p>Explore ways that life in Canada is similar to life in the U.S. and ways that it is different. Listen to “God Save the Queen” and “O Canada.” Learn a few words of French. Sort Canadian and U.S. coins by country, color, and size. Also suggests sampling maple sugar candy and other treats from Canada.</p>
<p>Children Around the World: Mexico</p> <p>New Books!</p>	<p>K</p>	<p>Teacher’s manual with teaching ideas, <i>Families of Mexico</i> video (30 min.), pictures, posters (of people, homes, and animals), and books such as: <i>Rosa, Nine Days to Christmas</i> and <i>Mexico.</i></p>	<p>Explore life in Mexico, using the Families of Mexico video, which follows two families from breakfast to bedtime. Teaching suggestions include learning a few words of Spanish, making maracas, learning the Mexican Hat Dance, <i>etc.</i></p>
<p>Emanuel Swedenborg</p> <p><i>2 copies</i></p>	<p>K</p>	<p>Teacher’s manual with teaching ideas, N.C. background, and project suggestions. Also includes pictures and these books: <i>The Wonder Footprints</i> and <i>Swedenborg’s Garden.</i></p>	<p>A resource unit with a variety of activities to help children learn about Emanuel Swedenborg and how he served the Lord.</p>
<p>Food, Clothing, and Shelter</p> <p><i>(social studies unit integrated with literature)</i></p> <p><i>2 copies</i></p>	<p>K</p>	<p>Teaching ideas, N.C. background, projects, poems, and books. Books include: <i>Bread, Bread, Bread, What Food Is This?, Eating the Alphabet; Pancakes, Pelle’s New Suit, Homes around the World.</i></p>	<p>This unit integrates many subject areas to help children appreciate how the Lord supplies us with natural resources to make food, clothing, and shelter. Great literature and activities. To explore how people from other parts of the world adapt to their environment and appreciate the variety of cultures, see Children Around the World.</p>
<p>Patriotic Holidays</p> <p><i>(in the United States)</i></p> <p>New Books!</p>	<p>K</p>	<p>Teaching ideas, N.C. background, pictures, and books such as: <i>The 4th of July Story, The Star-Spangled Banner, The Flag We Love, In Our Country, America the Beautiful, Abe Lincoln’s Hat, A Picture Book of Thomas Jefferson, A Picture Book of Martin Luther King, Jr., and Abraham Lincoln.</i></p>	<p>Suggestions for introducing children to patriotic songs, the pledge of allegiance, patriotic symbols such as the flag, and holidays such as Independence Day and the birthdays of famous Americans (George Washington, Abraham Lincoln, and Martin Luther King, Jr.).</p> <p>Teachers may wish to begin with a mini-unit on patriotism and then teach about the patriotic holidays as each one comes up.</p>

Books include: <i>See the Ocean, Lucy’s Picture, The Balancing Girl, My Buddy</i>, and <i>Through Grandpa’s Eyes</i>.</p>	<p>Wonderful books and teaching ideas for introducing children to various disabilities.</p>

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
KINDERGARTEN UNIT BOXES

SCIENCE UNIT BOXES

Title	Grade	Contents	Description
Dinosaurs	K	Teaching ideas and books, including: <i>Patrick's Dinosaurs</i> , <i>Dinosaur Babies</i> , <i>I Am a Big Dinosaur</i> , <i>Dinosaur's Everywhere</i> , and <i>How Big Were the Dinosaurs?</i>	Teaching ideas include making a dinosaur diorama, creating "dinosaur fossils," have students dig for plastic dinosaurs in sand, action poem by Nancy Klein, and more.
The Five Senses <i>3 copies, enclosed books may vary</i>	K	Unit plan, New Church background, kaleidoscope, sample projects, Alikì's <i>My Five Senses</i> , <i>Forest of Dreams</i> , <i>Discovering Little Things</i> , <i>The Listening Walk</i> , books by Maria Ruis on the five senses, <i>Through Grandpa's Eyes</i> , <i>If at First You Do Not See</i> , and <i>Have You Seen My Duckling?</i>	Great suggestions for literature and activities for exploring the five senses. Activities include texture rubbings, listening game, and a tasting party. One project is making individual books called <i>Let Your Light Shine</i> that illustrate ways the children can use their five senses to be the best they can be.
New Life from the Lord <i>(science unit integrated with literature)</i> <i>2 copies, enclosed books may vary</i>	K	Lesson plans, N.C. background, songs, and activities. Books include: <i>The Tiny Seed</i> , <i>The Honeybee and Robber</i> , <i>Miss Rumphius</i> , <i>The Reason for a Flower</i> , <i>The Golden Egg Book</i> , <i>The Story of the Root Children</i> , <i>Wilfred Gordon McDonald Partridge</i> , and <i>Giving</i> .	A springtime unit surveying the new life from the Lord: seeds, wildflowers, butterflies, birds, baby animals, and infants. This is a wonderful unit with songs, poems, art projects, and ways to integrate this unit throughout the day.
Rocks and Fossils <i>(science unit integrated with literature)</i> <i>2 copies, enclosed books may vary</i>	K	Teaching ideas, N.C. background, photos, Rocky Bingo, and books. These include: <i>Stone Soup</i> , <i>Sylvester and the Magic Pebble</i> , <i>The Magic School Bus Inside the Earth</i> , <i>Rock Collecting</i> , <i>Everybody Needs a Rock</i> , <i>Fossils of Long Ago</i> , and <i>Rocks and Minerals</i> .	Many activities to introduce young students to the mineral kingdom. Suggestions include a special worship on "Rock Day," a song and game called "Rhythm of the Rocks," playing mancala with polished stones, and Rocky Bingo. <i>(Note: Also includes enrichment materials suitable for older primary children.)</i>
The Sun and Solar System <i>(science unit integrated with literature)</i> <i>2 copies, enclosed books may vary</i>	K	Lesson plans, N.C. background, science experiments, songs, poems, blessings, and art projects. Books include: <i>Sun Song</i> , <i>My Shadow</i> , <i>The Sun</i> , <i>Wake Up Jeremiah</i> , <i>What Makes a Shadow?</i> <i>The Midnight Farm</i> , <i>Sun Up</i> , <i>The Planets</i> , and <i>What Makes Day and Night</i> .	A wonderful unit to help children appreciate the heat and light from the sun. Activities include making a sun book, sequencing paper planets, telling time with sundials, making solar prints, painting a sunrise, making a paper mache solar system, and playing shadow tag.
Mother Earth and Root Children <i>(integrated)</i>	K-1	<i>The Root Children</i> book, Mother Earth Doll, and tiny root children. complete with colorful silk gowns.	Use in conjunction with New Life from the Lord or Springtime. Wake the children up and put on the silk gowns in the spring.

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER
KINDERGARTEN UNIT BOXES

MATH UNIT BOXES

Title	Grade	Contents	Description
<p style="text-align: center;">Polydron</p> <p><i>3 copies</i></p>	All	Polydron, a construction set (with square, triangular, hexagonal, pieces), activity cards, and teacher's guide.	"Polydrons" are plastic interlocking shapes to create various 3-D shapes. Students can experiment freely, and then try some activities.
<p style="text-align: center;">Polydron Sphera</p> <p>New!</p>	All	Polydron Sphera construction set (with spheres, cylinders, circles, cones, squares, and right-angle triangles pieces), instruction sheet, book on exploring the Polydron Sphera, and teacher's guide.	The Poldron Sphera is similar to the Polydron unit, however in this set students can construct spheres, hemispheres, cylinders and cones.
<p style="text-align: center;">Tangrams and More</p> <p><i>2 copies</i></p>	All	Tangrams, <i>Grandfather Tang's Story</i> (and task cards), tangram activities.	A fun approach to problem solving.
<p style="text-align: center;">Introductory Math Games Sets A, B</p>	K	Boxed games teach or reinforce basic math concepts. Set A: <i>The Safety Pin Game</i> and <i>Pincushions</i> , (sets, numerical order) <i>Snowmen</i> (counting, combining groups, equality) Set B: <i>Trees and Apples</i> and <i>Hangers and Clothes Pins</i> (forming sets, ordering numerically), <i>Ice Cream Cones</i> (counting, combining groups, using math symbol) and <i>Hide 'n' Go Seek</i> (subtracting).	Games can be set up as centers to introduce or reinforce fundamental math concepts. Activities help children develop fine motor skills.
<p style="text-align: center;">Number Sequencing</p> <p><i>2 copies</i></p>	K	Envelope with 3 games to reinforce number sequences from 0-12: Caterpillar Number Sequence, Gingerbread Men, and Flower Sequence.	The games ask children to complete a sequence of 3 numbers by filling in the blanks, replace dots on gingerbread men with numbers and count flowers in pictures, placing in sequence.
<p style="text-align: center;">Numbers</p>	K-1	Unit overview and lesson plans designed by a New Church teacher. Also includes related activities. (Books not included.)	Suggestions for three-week unit on numbers, reading one counting book each day, followed by a hands-on activity and a worksheet. Recommended books include: <i>Five Little Monkeys Sitting in a Tree</i> , <i>Seven Blind Mice</i> , <i>Numbears</i> , <i>The Boy Who Was Followed Home</i> , etc. (A good review for first graders.)

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER

KINDERGARTEN UNIT BOXES

Time and Clocks <i>2 copies</i>	K-3	Lesson plans designed by New Church teachers with suggested activities, learning center, work sheets. Books include <i>The Grouchy Ladybug</i> , <i>Clocks and More Clocks</i> , <i>What Time Is It?</i> , and <i>My First Book of Time</i> .	A resource unit of ideas for teaching students about clocks. Teaching ideas include playing the What Time Is It Mr. Fox? game.
Math Puzzlers and Games, Set 1	K-3	Activities from <i>Wonderful Ideas from the Institute for Math Mania</i> . Includes task cards, teacher's guide, and most of the materials.	Includes: Greater Than / Lesser Than Card Games (with variations including a positive/negative numbers version), 2 logic puzzles with money, and toothpick puzzlers. Also 7 "Ideas" (math activities) for levels 1, 2 or 3, 4.
Pattern Math	K-6	Pattern blocks, Pattern Math (Creative Publications), and reproducible activity sheets.	Use problem-solving skills to fit together various combinations of blocks to make patterns. And make your own designs!

RESOURCES FOR THE VISUAL ARTS

Title	Grade	Contents	Description
<i>Project Method and Idea Book</i> by Janet H. McMaster	All	Many wonderful projects, arranged by drawing projects, painting projects, and collage projects.	Janet suggests specific application to stories in the Word. <i>Note: May be purchased from the Office of Education.</i>
<i>Sunday School Projects and Activities</i> by Lori Odhner, Wendy Hoo, and Sonia Werner	All	Large notebook of projects arranged by book of the Word.	Valuable source of religion project ideas for preschool, primary, and intermediate levels. <i>Note: May be purchased from the Office of Education.</i>
<i>Washington New Church School Art Curriculum</i> by Erin Stillman	All	A useful notebook showing one school's creative application of resources such as <i>Art in Education</i> . Includes some artwork and commentary.	An overview of the art curriculum at WNCS, looking at Elements and Concepts, Mediums, and Components to be included.
<i>Art in Education</i> by Beth Johns, Erica Swadley, and Yorvar Synnestevedt	K-8	Includes the underlying philosophy, suggested curricula for each grade, and specific project ideas.	This wonderful resource for teaching art was first published in 1974 and reissued in 1997. <i>Note: May be purchased from the Office of Education.</i>
