

GENERAL CHURCH OFFICE OF EDUCATION RESOURCE CENTER

**MUSIC UNIT BOXES**

Title	Grade	Contents	Description
<p><b>BACS Music Course Records: First Grade</b> by Margit Irwin <i>4 copies</i></p>	<p><b>1</b></p>	<p>Teacher's manual with 67 lessons, sacred music, secular repertoire, and audiotape.</p>	<p>This valuable resource for teaching music in New Church schools includes a wide variety of music and supports several units in the first grade curriculum such as China and the Inuit.</p>
<p><b>BACS Music Course Records: Second Grade</b> by Margit Irwin</p>	<p><b>2</b></p>	<p>Teacher's manual with 69 lessons, songs, dances, rhythm activities, sacred music, information about composers, and audiotape.</p>	<p>Includes songs and dances that enrich units being studied, such as Native Americans, Hebrew Patriarchs, and Honeybees.</p>
<p><b>BACS Music Course Records: Third Grade</b> by Margit Irwin</p>	<p><b>3</b></p>	<p>Teacher's manual with 86 lesson plans, songs, sacred music, dances, information about composers, instrumental and xylophone pieces, and audiotape.</p>	<p>In this year of study, musical pieces supporting curriculum cover topics such as Insects and the Underground Railroad (Civil War). Also addresses reading music and sight-singing.</p>
<p><b>Planet Suite</b> by Gustav Holst</p>	<p><b>3-6</b></p>	<p>A folder with many teaching ideas.</p>	<p>A music appreciation unit designed by Sarah Odhner. She suggests using the unit with a CD of the Planet Suite or the video: Voyage to the Planets—a VHS space adventure.</p>
<p><b>BACS Music Course Records: Fourth Grade</b> by Margit Irwin</p>	<p><b>4</b></p>	<p>Teacher's manual with 61 lesson plans, patriotic, sacred and folk songs, rhythm activities, simple recorder pieces, overview of the instruments of the orchestra and audiotape.</p>	<p>The fourth grade curriculum includes music notation, sight-singing, instruments of the orchestra, playing the recorder, two-part harmony, triads (chords), major and minor scales, and musical terminology. Songs are taken from the liturgy, and patriotic and medieval themes.</p>
<p><b>BACS Music Course Records: Fifth Grade</b> by Margit Irwin</p>	<p><b>5</b></p>	<p>Teacher's manual with 56 lesson plans, sacred, folk and patriotic songs, dances, overview of music history, recorder pieces and audiotape.</p>	<p>The fifth grade curriculum includes music notation, sight-singing, Baroque, Classical and Romantic eras of music, playing the recorder, two-part harmony, triads (chords), scales, and musical terminology. Repertoire includes American folk songs, holiday, patriotic and religious songs.</p>
<p><b>BACS Music Course Records: Sixth Grade</b> by Margit Irwin</p>	<p><b>6</b></p>	<p>Teacher's manual with lesson plans, songs, sacred music, and other resources.</p>	<p>Covers music from the liturgy and world cultures including Native American. A welcome addition to the resources for the teaching of music.</p>
