

Receiving the Ten Commandments

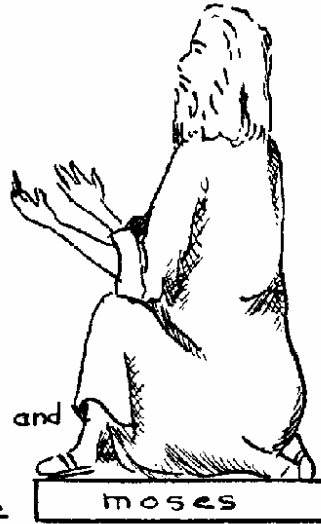

This project shows the Lord giving the Ten Commandments to Moses on Mount Sinai with great thunder and lightening.

Tablet 1

Tablet 2

Cut out on heavy outside lines. Color the mountains shades of blue and lavender mixed with some

moses

Bend back sides of tablets

to give thickness to them, cut slot A and slip them in place. A touch of glue on back will hold them.

black-to give a grey look. Do the bolts of lightning gold (yellow), The tablets a soft grey of stone and moses' robe is white with some black trim on bottom, around sleeve and neck.

This cloud should be of a golden (yellow) color to show the glory of the Lord.
