

Working on Marriage

This can be done at any stage, whether you are currently married or not.

1. *Read* the Lord's Word to better *understand* His ways.
2. *Obey* the Lord's commandments.
3. *Reject* whatever influences oppose the ideals of marriage.
4. *Serve* the neighbor with the talents the Lord has given you.
5. *Pray* for the Lord to bless your marriage, making it a lovely partnership with one. (This can be done at any time.)
