

SAVIOR, LIKE A SHEPHERD LEAD US

1. Sav - ior, like a shep-herd lead us; for we need Thy ten - der care.
2. Shep-herd, when Thy sheep do hun-ger, Lead us where the green grass-es grow.

In Thy pleas-ant pas-tures feed us; For our use Thy fold pre - pare.
So that we may thirst no long-er, Lead us where the still wa-ters flow.

Let us nev-er wan-der far from Thee. Shep-herd, Thy own sheep are we.
When the day is o-ver, may we be In Thy heav'n-ly fold with Thee.
