

Waking Up In Heaven

Lyrics and Music by Lori Odhner

1. You wake up in the com-pan - y of an - gels.
2. The an - gels love to do the Lord's com - mand-ments,
They take you to a place you've al - ways known.
and ev - ery - thing is in the Lord's own hands.
They fill your mind with know-led-ges and wis - dom,
Each an - gel is just like a lit - tle hea - ven,
and teach you all a - bout the Lord a - lone.
and all the an - gels make one an - gel man.
The whole of hea - ven un - der - stands one lan - guage,
and all of their af - fec - tions can be sung.
You find that ev - ery - one is clothed in beau - ty
in hea - ven to grow old is to grow young.
Last time only
in hea - ven to grow old is to grow young.
