

Make a Seed Mosaic

Use seeds to make beautiful artwork.

Method A (for ages 3-6)

1. Provide a plastic lid, dried seeds, and play dough for each child.
2. Have child spread out play dough inside the plastic lid.
3. Press seeds into the dough, making a design.

Method B (for ages 6-10)

1. Provide templates of simple outlines such as a bell, a star, a flower, *etc.*
2. Draw around the template onto cardboard or white cover stock.
3. Apply glue inside the design, and set seeds into the glue.
4. Let dry.

Method C (for ages 9 and up)

1. Draw your own design on cardboard or white cardstock.
2. Arrange different kinds of seeds into separate containers (such as empty margarine tubs, an egg carton, *etc.*)
3. Apply glue on a small part of the design and choose which seeds to set there.
4. Repeat until the entire design is covered with seeds.
5. Let dry.
